The Oxford County Situation Table, composed of 18+ partner agencies, exists to mitigate acutely elevated risks in Oxford County - individual, family, and neighborhood risks. The purpose of the presentation is to provide an overview of trends experienced in 2022.

The presentation will highlight context; member organizations; statistical measures related to, for example, # of interventions, demographics, top risk categories, community study flags, service mobilization, and success rates. The intended outcome is greater awareness on the part of Council and Community regarding the valuable teamwork provided by the Table in supporting individuals in need, and the correlation with the larger Safe & Well Oxford Plan.
