The Oxford Invitational Youth Robotics Challenge is a community-based partnership founded in 2005 to give youth hands-on experience in design, construction and team problem solving by building and programming a robot for an industrial-type task. Through this exciting project youth are encouraged to explore the many rewarding careers available today with manufacturing companies in Oxford County and the surrounding area.

The purpose of our presentation is to talk about the challenge and to thank the County of Oxford for their ongoing support of this initiative. We will also ask the County of Oxford for \$5000 to be a Platinum sponsor of our 2024 event.

- **Will you be providing any electronic information (i.e. a presentation) beyond your summary above?**

Yes

- **Have you appeared before council to discuss the same topic in the past?**

Yes
