To discuss enhanced traffic calming/speed reduction/safety concerns with Devonshire Ave and better enhancements under the proposed new CSZ from Van Ave to Huron.
Requesting county council look at a crosswalk at Riddell & Devonshire (old existing one there) along with the proposed lights at Victoria and

Devonshire crosswalk.

Requesting county council in lieu of electronic speed signage to look at installation of a red light camera at Devonshire & Wellington or photo radar either before or after Wellington street intersection to encourage speed reduction and penalize those who do not obey it. The hope is the county and city can negotiate a fair cut of the proceeds resulting from fines of this camera or photo radar.

Request for photo radar set up in St Mikes school zone and ESMB/Notre Dame school zones as speed limits not being adhered to.

Discuss need as lack of police presence in these areas is presenting a safety issue with the amount of students at these crossings.

- **Will you be providing any electronic information (i.e. a presentation) beyond your summary above?**

No

- **Have you appeared before council to discuss the same topic in the past?**

No
