Based on the Warden's request to resign from the AAC, we would request to put this item on the agenda for the next Council meeting.

Hi Ayesha;

Please have the committee send me a correspondence item requesting that a member of Council be appointed to the Committee. I will include that correspondence on a Council agenda for Council's consideration.

Thank you, let me know if you have any questions or concerns.

Good afternoon Chloe,

Hope this email finds you well!

I am forwarding the emails of Marcus Ryan and Sharlene (the Chair), who have both decided to resign from the AAC. I wasn't sure of the procedure to follow next. We recently had the last AAC meeting of the year and have decided to have our next meeting on Jan 16th. So, I believe we still have time to add the new members to the team, but I wanted to bring this to your attention.

Thank you!

Ayesha

I'm sorry I've missed out on the last few meetings. I know I've has reasonable excuses but I think my time is up unfortunately.

I really appreciate you and this committee but it appears that I have taken on too much all at once.

Thank you for your understanding

Sharlene

It has recently come to my attention that there are several members of Oxford Council who are very understanding, appreciative, and enthusiastic about the role of council on the Accessibility Advisory Committee.

Given that there are others who have a better understanding, appreciation, and have more enthusiasm for the role of council on the Accessibility Advisory Committee, I think it is irresponsible for me to take up that space that others might better fill.

Therefore I am resigning my position on the Accessibility Advisory Committee, confident that there are members of Oxford Council who will more effectively and enthusiastically contribute.

I do not expect a response after hours or on weekends. I sent this email at my convenience and welcome a response at your convenience.
