- **Use the space below to clearly outline the purpose for your presentation to council. Provide a brief outline of your subject matter including your suggested outcome**

I would like to discuss the charges at the Tillsonburg Transfer Station.

Currently the charges at the Transfer station are as follows:  
Passenger Vehicle \$16.00 Exempt

Passenger Vehicle and Trailer \$23.00 Exempt  
Pick-up Truck \$17.00 Exempt  
Pick-up Truck and Trailer \$46.00 Exempt

We (my husband and I) use the transfer station as I live in the area. We have a fairly expensive truck and purchased a trailer to haul large waist to the Transfer Station

It is clear that the pricing structure for the Pick-up Truck and Trailer are a full load price.

I feel this is charging for services that are not received when I take my waist to the Transfer Station I only fill my trailer not my Truck Clearly I can't push my Trailer to the transfer station - but you can't charge me a fee for a service I am clearly am NOT using.

I would like to be reimbursed for services I did not use and the pricing to be reviewed as it is clearly unjust and may be crossing a line in the minds of most people as unfair charging. And clearing the pricing doesn't make any sense as far as the price of a car vs a truck , both with trailer.

Please consider my request in good faith

Thank you  
Nicole Toth
