Dear Warden Ryan,

On behalf of the people and the government of the Republic of China (Taiwan), I want to express our great appreciation for your kind wishes for the recent inauguration of President Lai Ching-te and Vice President Hsiao Bi-khim.

Given the historical legacy established by the Reverend George Leslie Mackay in Taiwan, I truly believe with your warm friendship and assistance, our relations with Oxford and Canada as a whole will progress pleasantly and be extremely fulfilling.

We hope official visits and student exchange between Oxford County and Tamsui District could resume in the near future, and my office will be delighted to facilitate these arrangements.

I wish you, along with all the friends of Taiwanese community in Ontario and Canada, good health and great success in your endeavours. Looking forward to meeting you at 2024 Embro Highland Games on July 1.

Sincerely,

Jin-Ling
