Delegation of Powers and Duties Policy

PURPOSE

The purpose of this policy is to establish provisions for the delegation of the powers and duties of Council. Section 23.1 of the *Municipal Act, 2001* expanded the right of authority for County Council to delegate some of its powers and duties to a person or body. The intention of Section 23.1 of the *Municipal Act, 2001* is to help streamline Council's decision-making process by enabling it to focus on larger issues as well as enhance community engagement regarding specifically defined local issues.

PROCEDURE

1.0 Legislative Authority

- 1.1 Section 270 (1) of the *Municipal Act, 2001* provides that a municipality shall adopt and maintain a policy with respect to the delegation of its powers and duties.
- 1.2 Section 23.1 (1) of the Act further provides that a municipality may "delegate its powers and duties under this or any other Act to a person or body" subject to certain restrictions.
- 1.3 Section 23.2 of the Act restricts the delegation of legislative and quasi-judicial powers to powers under "this Act, the *Planning Act*, a private Act relating to the municipality and such other Acts as may be prescribed".

2.0 For the purposes of this Policy,

- 2.1 "Act" shall mean the *Municipal Act, 2001*.
- 2.2 "County" shall mean the County of Oxford.
- 2.3 "Officer" shall mean an employee of the County holding some position of responsibility or authority.
- 2.4 "Administrative Powers" shall mean those powers that a natural person could delegate and that relate to the management of the municipal corporation.

2.5 “Legislative Powers” shall mean those powers that require policy setting and by-law making.

2.6 “Quasi-Judicial Powers” shall mean those powers that require judgement and decision making. These decisions are based less on policy and procedure, and more on the adjudication of individual rights and duties.

3.0 Powers that Cannot be Delegated

3.1 Section 23.3 (1) of the Act sets out the specific circumstances in which a municipality cannot delegate its powers or duties as follows:

- a) appointing or removing officers of the municipality whose appointment is required by the Municipal Act (i.e. Clerk or Treasurer);
- b) imposing taxes;
- c) incorporating corporations;
- d) adopting or amending the official plan;
- e) passing zoning by-laws;
- f) passing bonusing by-laws related to small businesses operating or proposing to operate in the municipality or bonusing by-laws related to the provision of municipal capital facilities;
- g) adopting community improvement plans which include bonusing arrangements;
- h) adopting or amending the municipal budget; and
- i) other powers or duties as prescribed.

- c) an individual who is an officer, employee or agent of the County, but only if the power delegated is of a minor nature.

5.0 Scope of Power

- 5.1 All delegations of Council powers, duties or functions shall be effected by by-law.
- 5.2 Unless a power, duty or function of Council has been expressly delegated by by-law, all of the powers, duties and functions of Council remain with Council.
- 5.3 A delegation may be restricted or revoked at any time without notice unless the delegation by-law specifically limits Council's power to restrict or revoke the delegation. This limitation to Council's power shall not extend beyond the term of the current council and will not restrict the power of succeeding councils to revoke the delegation.
- 5.4 A delegation may provide that only the delegate can exercise the delegated power or that both Council and the delegate can exercise the power jointly.
- 5.5 Where a power is delegated, the power is deemed to be delegated subject to any limits on the power and to any procedural requirements, including such conditions, approvals and appeals as Council considers appropriate.
- 5.6 Council has the authority to establish an appeal body to hear appeals or review decisions made under a delegated power as per Section 284.1 of the Act. This includes the power to determine procedures, powers and rules of those conducting the appeal.
