In-person

- **Use the space below to clearly outline the purpose for your presentation to council. Provide a brief outline of your subject matter including your suggested outcome**

I wish to address the Oxford County Council on behalf of concerned Zorra Township residents regarding the hazardous intersection of Oxford Road 6 and Road 96. I plan to highlight the two most recent fatalities and numerous injuries to emphasize the intersection's frequent collisions, often caused by reckless driving and negligence. I will also propose the implementation of transverse rumble strips on Road 96 to reduce the number of collisions from rolling stops, alongside additional accident reduction devices such as amber

warning lights, a reduced speed limit on the Embro Road, or increasing the rate at which OPP officers watch the intersection. I plan to urge Council to take immediate action to prioritize public safety by directing Oxford County staff to explore potential measures (such as the ones I have suggested) that can be taken to prevent further tragedies at the corner. I will attach my drafted letter as a pdf to this form so that it is accessible for members of the public and councillors to read along as I speak.
