**Use the space below to clearly outline the purpose for your presentation to council. Provide a brief outline of your subject matter including your suggested outcome**

**Purpose of Presentation**

We are requesting a delegation to present to Oxford County Council regarding the County’s involvement in the FCM–ICLEI Partners for Climate Protection (PCP) program.  
Our presentation will consist of:

Maggie Braun (5 minutes): Providing national and local legal and environmental context, Maggie will highlight the broader implications of the PCP program in terms of liability, cost, and alignment with local priorities and mandate.

We respectfully request that Oxford County pause implementation of the PCP program and initiate a public review. This would include transparent public consultation, a cost-benefit analysis, and a legal review of obligations under the program. We recommend that Council consider a formal resolution to withdraw from the PCP program to focus on locally driven, community-first environmental strategies.
