

**Example Municipal Resolution:  
Based on Resolution by County of Stormont, Dundas and Glengarry**

WHEREAS the Conservation Authorities Act (1946) enables municipalities to establish local conservation authorities, and when municipalities choose to form such authorities, they assume responsibility for governance and funding through the appointment of a Board of Directors and the provision of an annual levy to cover expenses;

AND WHEREAS the **Municipal Name** established the Upper Thames River Conservation Authority (initially formed in 1947) and **List other CAs if needed**;

AND WHEREAS local municipalities currently provide approximately **35%** of total conservation authority funding, while the Province of Ontario provides approximately **2%** (**2026 budget**);

AND WHEREAS municipalities have governed their respective conservation authorities for decades, tailoring programs and services to local watershed needs, maintaining accountable service standards, and ensuring fair and predictable costs for ratepayers;

AND WHEREAS conservation authorities collectively own and manage thousands of acres of land. Many of these properties were entrusted to the UTRCA for long-term protection, stewardship, and the public good, with the expectation that such lands would be cared for by locally governed conservation authorities;

AND WHEREAS Bill 68 (Schedule 3) proposes the creation of the Ontario Provincial Conservation Agency, a Crown corporation that would assume governance responsibilities and consolidate Ontario's 36 conservation authorities into seven regional authorities, with municipal cost apportionment yet to be defined;

AND WHEREAS the Province already possesses the authority to establish overarching legislation, regulations, and standards through the Conservation Authorities Act and the Ministry of the Environment, Conservation and Parks;

NOW THEREFORE BE IT RESOLVED THAT the Council of the **Municipal Name** calls on the Government of Ontario to maintain local, independent, municipally governed, watershed-based conservation authorities to ensure strong local representation in decisions related to municipal levies, community-focused service delivery, and the protection and management of conservation lands;

AND FURTHER THAT while the **Municipal Name** supports provincial goals for consistent permit approval processes, shared services, and digital modernization, imposing a new top-down agency structure without strong local accountability and governance risks creating unnecessary cost, red tape, and bureaucracy, thereby undermining efficiency and responsiveness to local community needs;

AND FURTHER THAT the **Municipal Name** supports efforts to balance expertise, capacity, and program delivery across the province, and requests that the Province work collaboratively with municipalities and local conservation authorities to determine the most effective level of strategic consolidation to achieve both provincial and local objectives.

AND FURTHER THAT a copy of this resolution be sent to:

- the Ontario Minister of Environment, Conservation, and Parks,
- local MPPs,
- Association of Municipalities of Ontario,
- Rural Ontario Municipal Association,
- area Indigenous communities,
- all municipalities,
- Conservation Authorities, and
- Conservation Ontario.
