

**Petition to Oxford County Council**  
**Enough is Enough! – We Demand Fiscal Responsibility**

We, the undersigned residents and taxpayers of Oxford County, urgently call on County Council and local municipal councils to adopt a **0% property tax increase** in the 2026 budget. For years, taxpayers have endured **annual tax hikes**, even as inflation, job losses, and the rising cost of living have drained household budgets. We can no longer afford council's endless spending.

Oxford families cannot give any more. It's time for leadership, accountability, and discipline. It's time for this council to live within their means and put affordability at the heart of every decision.

**Our Call to Action:** We urge Oxford County Council to,

- Deliver a **0% tax increase** in the 2026 budget
- Cancel or defer **non-essential, high-cost projects**
- Prove to taxpayers that Council can exercise **real fiscal responsibility**

Petition to Oxford County Council

**Enough is Enough! – We Demand Fiscal Responsibility**

We, the undersigned residents and taxpayers of Oxford County, urgently call on County Council and local municipal council to adopt a **0% property tax increase** in the 2026 budget. For years, taxpayers have endured **annual tax hikes**, even as inflation, job losses, and the rising cost of living have drained household budgets. We can no longer afford council's endless spending. Oxford families cannot give any more.

It's time for leadership, accountability, and discipline. It's time for this council to live within their means, demonstrate fiscal responsibility, and put affordability at the heart of every decision.

**Our Call to Action:** We demand that Oxford County Council:

- Deliver a **0% tax increase** in the 2026 budget
- Cancel or defer **non-essential, high-cost projects**
- Prove to taxpayers that Council can exercise **real fiscal responsibility**.

**Petition to Oxford County Council**  
**Enough is Enough! – We Demand Fiscal Responsibility**

We, the undersigned residents and taxpayers of Oxford County, urgently call on County Council and local municipal councils to adopt a **0% property tax increase** in the 2026 budget. For years, taxpayers have endured **annual tax hikes**, even as inflation, job losses, and the rising cost of living have drained household budgets. We can no longer afford council's endless spending. Oxford families cannot give any more.

It's time for leadership, accountability, and discipline. It's time for this council to live within their means, demonstrate fiscal responsibility, and put affordability at the heart of every decision.

**Our Call to Action:** We urge Oxford County Council to

- Deliver a **0% tax increase** in the 2026 budget.
- Cancel or defer **non-essential, high-cost projects**.
- Prove to taxpayers that Council can exercise **real fiscal responsibility**.

**Petition to Oxford County Council**  
**Enough is Enough! – We Demand Fiscal Responsibility**

We, the undersigned residents and taxpayers of Oxford County, urgently call on County Council and local municipal councils to adopt a **0% property tax increase** in the 2026 budget. For years, taxpayers have endured **annual tax hikes**, even as inflation, job losses, and the rising cost of living have drained household budgets. We can no longer afford council's endless spending.

Oxford families cannot give any more. It's time for leadership, accountability, and discipline. It's time for this council to live within their means and put affordability at the heart of every decision.

**Our Call to Action:** We urge Oxford County Council to,

- Deliver a **0% tax increase** in the 2026 budget
- Cancel or defer **non-essential, high-cost projects**
- Prove to taxpayers that Council can exercise **real fiscal responsibility**

## Petition to Oxford County Council

### Enough is Enough! – We Demand Fiscal Responsibility

We, the undersigned residents and taxpayers of Oxford County, urgently call on County Council and local municipal councils to adopt a **0% property tax increase** in the 2026 budget. For years, taxpayers have endured **annual tax hikes**, even as inflation, job losses, and the rising cost of living have drained household budgets. We can no longer afford council's endless spending.

Oxford families cannot give any more. It's time for leadership, accountability, and discipline. It's time for this council to live within their means and put affordability at the heart of every decision.

**Our Call to Action:** We urge Oxford County Council to,

- Deliver a **0% tax increase** in the 2026 budget
- Cancel or defer **non-essential, high-cost projects**
- Prove to taxpayers that Council can exercise **real fiscal responsibility**

**Petition to Oxford County Council**  
**Enough is Enough! – We Demand Fiscal Responsibility**

We, the undersigned residents and taxpayers of Oxford County, urgently call on County Council and local municipal councils to adopt a **0% property tax increase** in the 2026 budget. For years, taxpayers have endured **annual tax hikes**, even as inflation, job losses, and the rising cost of living have drained household budgets. We can no longer afford council's endless spending.

Oxford families cannot give any more. It's time for leadership, accountability, and discipline. It's time for this council to live within their means and put affordability at the heart of every decision.

**Our Call to Action:** We urge Oxford County Council to,

- Deliver a **0% tax increase** in the 2026 budget
- Cancel or defer **non-essential, high-cost projects**
- Prove to taxpayers that Council can exercise **real fiscal responsibility**

For years, taxpayers have endured **annual tax hikes**, even as inflation, job losses, and the rising cost of living have drained household budgets. We can no longer afford council's endless spending.

Oxford families cannot give any more. It's time for leadership, accountability, and discipline. It's time for this council to live within their means and put affordability at the heart of every decision.

**Our Call to Action:** We urge Oxford County Council to,

- Deliver a **0% tax increase** in the 2026 budget
- Cancel or defer **non-essential, high-cost projects**
- Prove to taxpayers that Council can exercise **real fiscal responsibility**
