Dear Council,

Re: PW 2021-25 - Community Safety Zones Criteria and Warrant Process

Thank you for the opportunity to review and comment on the proposed Community Safety Zones Criteria and Warrant Process. The County staff report was brought to Norwich Council for comment at its July 13th meeting. Unfortunately, due to summer Council meeting schedules and staff schedules, Norwich was not able to fully consider the matter and will not be able to provide comment prior to the August 11th County Council meeting. Therefore, Norwich Township Council adopted a resolution requesting a (Norwich) staff report for its next meeting August 10th, and requesting that County Council allow additional time for local municipalities to comment on the matter.

Thank you for your consideration.

Yours truly,

Kyle Kruger
CAO/Clerk
