Provide their advice as to the effectiveness of the speed signs; 2. Other alternate speed influencing steps that could be taken to reduce the incidences of speeding (which may include but are not limited to bump outs, village entrance road width restrictions, three way stop at the corner of Zorra Line and Beachville Road and other environmental options) and; 3. The opportunities for utilization of Automatic Speed Enforcement system throughout the county which would include the potential for provincial acceptance, And further, that upon acceptance and implementation of effective speed reduction measures, that County Council would then consider potentially increasing the posted speed limit in Beachville; And further, if the similar changes made in Embro are not supported by evidence in Q1 that they also	Staff report by August, 2021	PW	September 2021
