Re: Oxford Historical Society Leaving Resource Centre at 82 Light Street

After many years of sharing space and close co-operation with the Oxford Historical Society we are sad to see the end of our relationship with them under the same roof. We hope to continue to interact with many of the OHS members in future projects and/or research endeavours.

We met Monday with Liz Dommasch to discuss the departure of the OHS and what change(s) that might bring for the Oxford Branch of Ontario Ancestors. We fully support Oxford Archives in taking over OHS's space and wanting to keep many of the Historical Society's records in their current location at the Governor's House.

We look forward to working with all the Oxford County Archives staff.

Sincerely,

Markley Bond
