February 25, 2021

To: Oxford County Council

Subject: Petition to reduce speed limit

From: Thomas Donnelly (representing 100+ residents)

REFER TO _____
File/ EDMS: _____

Woodstock, ON, N4T1W6

I am requesting the support of Oxford County Council for the attached petition, asking that the speed limit on County Road 59 beginning at the traffic circle at Oxford Road 17 south to the bridge crossing the Thames River, be reduced from 60km/h to 50km/h.

This will be one part of our effort to make this roadway, that passes through a residential area, safer for those that walk, bike or drive. The increased number of households in this area has resulted in a dramatic increase in traffic volume. Unfortunately, the speeds on that stretch of road have also increased to a point where it is unsafe for pedestrians, bicycle riders and other vehicles attempting to enter or cross that roadway. This very likely will become worse when the new subdivisions are completed on Oxford Road 17, west of that circle.

The second, and equally important part of our effort involves working with the City of Woodstock Police Service to enforce those speed limits. That effort is currently ongoing.

Support for this petition, by the City of Woodstock Council, has been requested.

Thank you

Thomas Donnelly

Petition to Oxford County Council

Date: February 21, 2021

Petition Organiser: Thomas A
Donnelly

Address: [REDACTED]
Woodstock, N4T1W6

Tel number: [REDACTED]

We, the undersigned, petition Oxford County Council to reach an agreement with the City of Woodstock to set and enforce the posted speed limit at 50km/h on County Road 59, between Devonshire Road to the traffic circle at Oxford Road 17.

Reasons for petition: Due to the growth of residential properties in this area, the speed of vehicles on this section of Highway 59/Vansittart represents a risk to residents of the area that walk and bike as well as the risk to vehicles attempting to enter or cross that roadway.
